

REMARKS

The Office objected to the drawings as the drawings must be reasonably free from erasures and must be free from alterations, overwriting, interlineations, folds, and copy marks. The replacements drawings attached render this objection moot. No new matter has been added with the replacement drawings.

Applicants respectfully submit that the June 29, 2004 amendment is now in compliance with 37 CFR 1.121 and ask that it be forwarded to the Examiner for examination.
